

## Context

TRGM H.S. School is situated at the heart of Sivasagar Town. The school deals with a group of students who come from low economic background. Most of the students are deprived of proper parental care at home. Most parents are daily-wage earners

## Challenges

Challenge was to create a healthy atmosphere in school for academics and to contribute to cleanliness of school environment

## Leadership practices

- **Demolition of the old godown inside the school campus:** Conducted formal meetings with owners of the godown, SMDC and with leading student organizations of Assam . The godown building was brought down with the help of district administration and municipality board.
- Did not permit conducting cultural & religious functions inside the school campus, after due meetings with School Management Committee
- Banned plastic packaged food items inside campus

## Outcomes

School became neat and clean; well maintained toilets and plastic free school ground. The neat and clean corridors receive appreciation from outsiders who visit the school

## Beliefs as a School Leader

The journey of school transformation is not easy. It is a continuous process. The effort to keep the school clean will always remain a priority
