

**State Institute of School Leadership, Educational Planning and Management (SISLEP)
Karnataka, Dharwad**

PERSPECTIVE PLANNING by school leadership academy 2025-2030

Establishment of SLA Karnataka : 2018

LONG-TERM GOALS 2025-2030

❖ **Advanced Leadership Development and Innovation:**

- Focus on future – ready leadership with training on AI, EdTech (e-learning platforms, smart classroom management, Gamification in Edn. EdTech for School management..etc) and climate education.
- Establish a centre for Leadership Innovation to drive research and policy development.

❖ **Community Engagement & Impact Measurement:**

- Strengthens school-community partnerships for holistic education.
- Track student learning outcomes improvement linked to leadership training.

❖ **National Level Recognition & Benchmarking:**

- Aim to be among the top Indian school leadership academies.
- Establish SLA as a center of excellence for educational leadership by developing research labs, innovation hubs, and faculty development programs.

MEDIUM-TERM GOALS 2025-2028

❖ **Expansion of Leadership Training Programs:**

- Plan to Train 50,000+ school leaders across all districts.
- Development of customized training for primary, secondary, and senior secondary school heads.
- Create a digital platform for leadership education, offering online courses, virtual training, and AI-based assessment tools.
- Launch leadership certification programs to provide recognized credentials for educators and school administrators.
- Conduct live webinars, virtual as well as face to face conferences, and discussion forums.

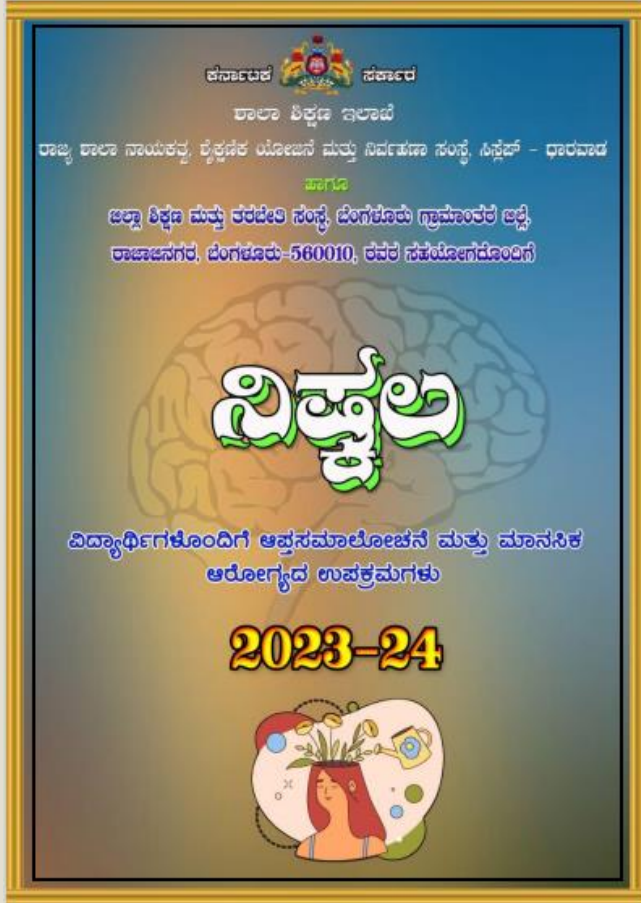

❖ **Research Development:**

- Establishment of a research wing to study school leadership effectiveness.

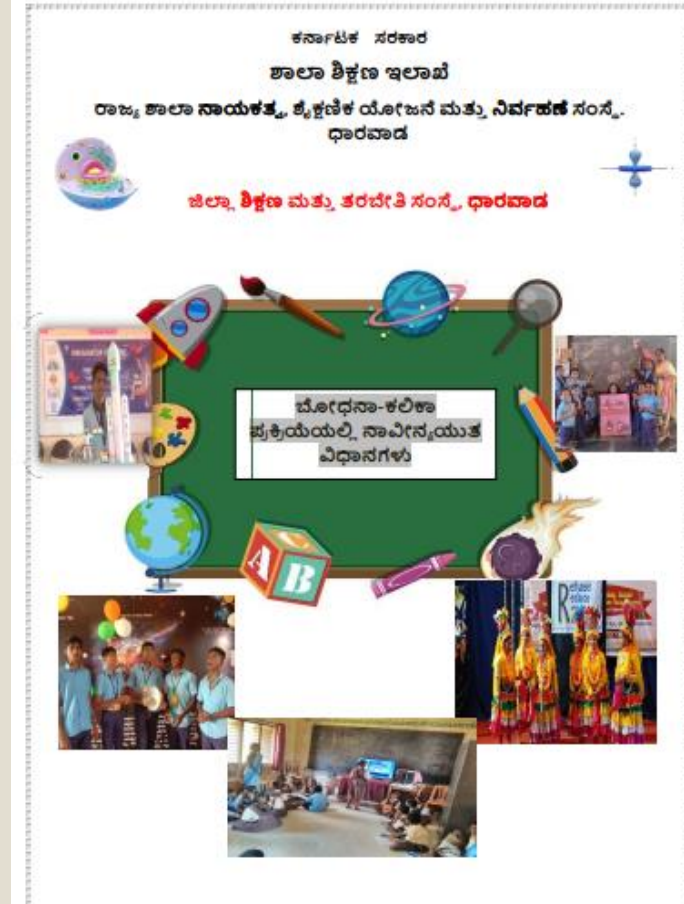

SHORT-TERM GOALS 2025-2026

- ❖ Planning to create a menu for SLA in the taskbar of the SISLEP, Karnataka website and upload information about School Leadership Academy (SLAK), Training Programs, Events, Video documents and case studies.
- ❖ We are **planning to establish a studio** for various activities of SLA, such as live streaming, webinars, panel discussions and other online programmes.
- ❖ **Training Program Design:**
 - Design the core leadership development framework, including modules on
 - Instructional leadership
 - School management & governance
 - Role of School head in implementation of School culture
 - Leading an effective School complex
 - Data Driven Decision Making (DDDM)
 - Significance of Design Thinking in School Leadership etc.
- ❖ **Conducting baseline research on leadership challenges in schools.**
- ❖ organizing webinars on various aspects of school leadership
- ❖ Collecting video documentations and case studies of best practices from different districts of karnataka with the help of DIETs

Strategies for Child
Safty

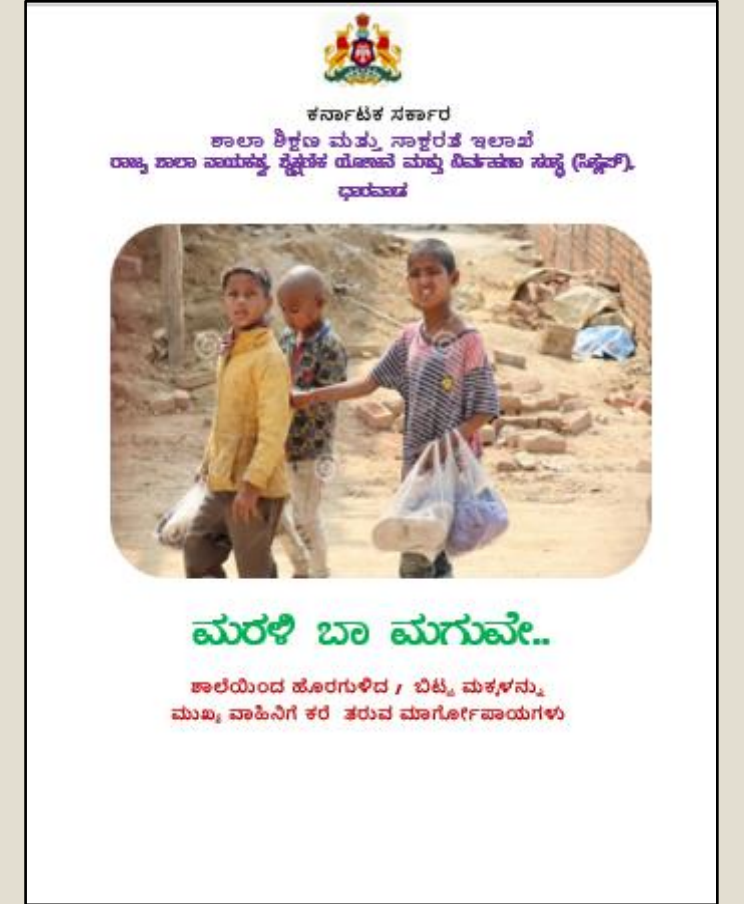

Modules prepared in the year 2023-24

Educational Indicators and Data Analysis

Introduction to Childrens' Rights and Protection Laws

Main Streaming Strategies for out of school children

STRAND 1: CONTENT AND MATERIAL DEVELOPMENT

- **Revise and update training materials for relevance, incorporating case studies, multimedia elements, and interactive exercises.**
- **Integrate digital learning resources, including e-learning modules, video lectures etc.**
- **Development of multilingual learning content to ensure accessibility for educators from diverse linguistic backgrounds**

STRAND 2: CAPACITY DEVELOPMENT

- **Conduct training programs for school leaders focusing on strategic planning, school management, and community engagement.**
- **Organize workshops for school heads and administrators to equip them with leadership skills necessary for effective school governance.**
- **Introduce mentorship programs and support emerging school administrators and principals.**

STRAND 3: NETWORKING AND INSTITUTIONAL BUILDING

- Engage with NGOs and educational consultants to bring in diverse expertise and insights into leadership training modules.
- Host networking events and leadership summits, facilitating discussions, knowledge exchange, and strategic partnerships among educators.

STRAND 4: RESEARCH AND DEVELOPMENT

- **Conduct impact assessment studies to measure the effectiveness of SLA programs and their influence on school leadership.**
- **Document success stories and best practices from schools that have benefited from SLA's leadership programs.**
- **Publish research papers on educational leadership, contributing to academic discussions on school management**

Gaps in school leadership academy's visibility on the SLA portal

- The SISLEP logo has to be uploaded on the SLA karnataka portal.

Gaps in school leadership academy's visibility on the SLA portal

- The wallpaper needs to be modified with an image of the Western Ghats of Karnataka.

Gaps in school leadership academy's visibility on the SLA portal

- We have collected 105 Case studies of best practices (Planning to publish '**Shala Darpana**' – **The Book of best practices**) and which need to be uploaded to the SLA Karnataka portal.
- We have prepared 12 Modules in the year 2023-24 which need to be uploaded to the SLAK Portal.
- Continuous Professional Development for capacity building, Networking & Institutional Building, and Research and Development – these sections are blank on our state SLA portal. We will provide information/materials/links regarding these areas to NCSL as soon as possible.

Thank You

SLA, Karnataka Team
