

Case Study

Name of the School : Puran Rajbari Class XII School, Rajnagar, Block, South Tripura.

Puran Rajbari school is situated under Rajnagar Block, South Tripura. Vill- Baraiya. Most of the population belongs to the SC Community Students from Dakshin Rajbari, Baldakhal SB. Dakshin Srirampur SB come to study in this school. But these come up a sudden impediment. The school was shut down following the national lockdown in 2020. Students were stuck at home and lost interest in studies. But thankfully, the State Government announced the implementation of online education and neighbourhood classes.

Under the leadership of HM, SMC organised a meeting with the guardians. It was decided that cable connection would be provided to five poor families by the help of SMC and local guardians. In this way in the lockdown situation this area/village started a new system.

Besides that neighborhood classes were started under a tree or Nat-Mandir or beside a pond. In this way the school found the logistics to run at a steady pace.
