PRESENTATION
ON
PERSPECTIVE PLANNING
UP SLA 2025-2030
Uttar Pradesh
Year of Establishment: 2016

Long-Term Goals of UP SLA (2025-30)

UP SLA focuses on transforming the education system by empowering school leaders with the necessary skills and strategies through Continuous Professional Development (CPD). Its long-term goals align with the vision of National Education Policy 2020 to improve school leadership and overall governance in the education sector.

- ✓ Building a Strong Leadership Ecosystem
- ✓ Enhancing School Leader and Administrator Training
- ✓ Strengthening School Governance and Accountability
- ✓ Digital Transformation and Technology Integration
- ✓ Achieving National and Global Educational Standards

Medium-Term Goals of UP SLA (2025-28)

UP SLA has set medium-term goals to strengthen school leadership and improve governance to align with NEP 2020. These goals focus on capacity building, digital transformation, and stakeholder engagement to create a sustainable impact on the education system.

- ✓ Continuous Professional Development for School Leaders
- ✓ Enhancing Digital Integration in Schools
- ✓ Improving School Governance and Accountability
- ✓ Research and Policy Development
- ✓ Expanding Community Engagement and Partnerships

Short-Term Goals of UP SLA (2025-30)

UP SLA has set short-term goals (1–2 years) to establish a strong foundation for school leadership, improve governance, and skill development. These goals focus on quick-impact initiatives, leadership training, digital literacy and skill integration to bring immediate improvements in the current education system.

- ✓ Establishing Leadership Training Programs
- ✓ Implementing Digital Tools for School Management
- ✓ Aligning Initiatives with NEP 2020
- ✓ Evaluating the Initial Impact of SLA Initiatives
- ✓ Piloting School Leadership Development Models

Content and Material Development by UP SLA

- ✓ **Leadership Training/CPD Modules**
- ✓ **Digital Learning Resources**
- ✓ **Research Reports**
- ✓ **Impact and Case Studies**

Capacity Development by UP SLA

- ✓ **Leadership Training for School Heads and Administrators**
- ✓ **Digital and Technological Capacity Building**
- ✓ **Research and Policy Development Initiatives**
- ✓ **Community and Stakeholder Engagement Programs**

Networking and Institutional Building by UP SLA

- ✓ **Establishing Leadership Networks**
- ✓ **Partnerships with Educational and Training Institutions**
- ✓ **Strengthening Institutional Structures for Capacity Building**
- ✓ **Strengthening Research and Knowledge Sharing**

Research and Development by UP SLA

- ✓ **Conducting Impact Assessments on School Leadership**
- ✓ **Developing Evidence-Based Leadership Models**
- ✓ **Policy Research and Recommendations**
- ✓ **Digital and Technological Innovations in Education**
- ✓ **Publication and Dissemination of Research Findings**

Gaps in UP SLA's Visibility on SLA Portal

- **Real-Time Feedback and Support Mechanisms** such as, live chatbots or live support services, forums for peer-to-peer interaction
- **Integration with Other Educational Platforms** through quick links
- **Personalized Learning Paths** such as, AI or generic content
- **Continuous Updates and Engagement:** Frequent updates regarding new training programs, leadership opportunities, or policy changes, etc.
- **Data Collection and Feedback Systems:** Consistent mechanism for collecting feedback from users regarding the effectiveness of training and leadership development programs

Specific Details to be Added in the SLA Decadal Report 2015-2025

- **Leadership Structure and Key Personnels: Outline the governance model of UP SLA, including the roles and responsibilities of leadership, key stakeholders, and partner organizations**
- **Key Programs and Initiatives such as, Leadership Training Programs for Secondary Schools and its effectiveness through feedback from Participants**
- **Future Plans for Technology Integration: Discuss upcoming projects for enhancing digital tools, such as AI-based learning and data-driven performance tracking**
- **Financial Overview and Resource Allocation**
- **Vision for the Next Decade and Key Recommendations**

THANK YOU!
